## OVERVIEW

**Editrice Shalom** was founded in **1995** in answer to a call from Our Lady who, even in these days, invites men and women to bring to the world the message of her son Jesus.

## MISSION

We try to be “**apostles of the Good Press**” through our publications, following the teachings of **Jesus** and **Mary**.

By books, objects, prayer meetings and pilgrimages, we want to be an instrument of the new evangelisation, giving back dignity and importance to all the devotions that have fallen into disuse, helping people to get closer to God and to rediscover the joy and the beauty of being loved and accepted.

## VISION

We would like every person to be able to find relevant teachings in the pages of **our books**.

## THE ORIGIN AND OUR BOOKS

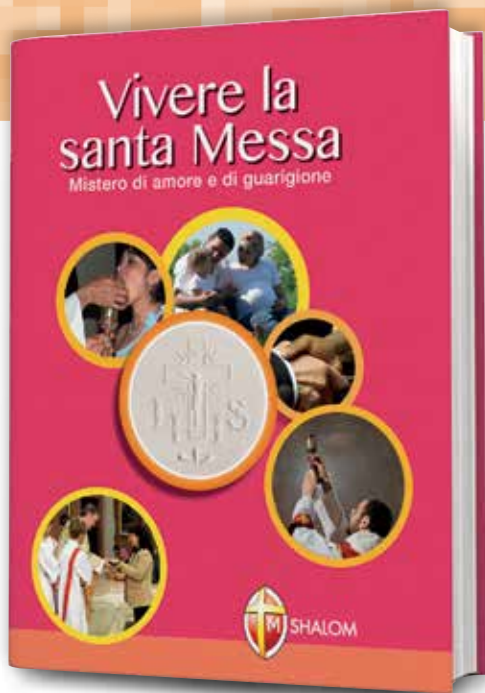

“**Pray the Rosary every day**” was the first of a long series of books published to promote and spread the prayer of the Rosary; the second book published was a collection of prayers “**Pray, pray, pray**”, that has quickly spread in thousands of families, also thanks to word of mouth, and it has become the best-selling book in the Italian catholic publishing.

Over the years, a new sector entirely dedicated to sacred objects has been added.

Currently **Editrice Shalom** is developing new multimedia products like **eBooks**, **audiobooks** and **apps**, in order to reach a wider audience and to be where people want to find it.

Our catalogue presents more than **200 titles** including prayer books, saints biographies, books about meditation and spirituality, devotions and descriptions of the most important Marian apparitions.
